Lorraine, I just got off the phone with Mr. Whisler. I told him the status of our ground water monitoring, and told him I would send him a copy of the results when they are finalized (one or two weeks from now).

Thanks,

Greg

Good morning Greg, please see the below correspondence from the citizen we spoke about yesterday regarding groundwater monitoring.
Thank you in advance, please let me know if you have any questions or concerns regarding this request.

Best Regards,
